

THE SIN OF CENSORIOUSNESS

Pastor Gregg Cantelmo text: Matthew 7:1-6

The Sermon on the Mount deals with the ethics of the Kingdom of God.
In chapter 7, Jesus deals with the network of relationships into which we are drawn as kingdom children.
Today we look at a popular but misunderstood teaching.

God is both F_____ and J_____.

Censorious =

It does not mean to assess people critically, but to judge
them H_____.

Relational Principles:

1. The way we treat others will set the tone for the way they will treat
U_____.

2. Keeping alert to our own F_____ is a big enough job.

3. If others do not value what you value, your condemnation will tend to
E_____ them
rather than C_____ them.
