Gleason Archer While God can, of course, override the united resistance of all the forces of hell if He chooses to do so, he accords to demons certain limited powers of obstruction and rebellion somewhat like those he allows humans. In both cases, the exercise of WILL in opposition to the Lord of heaven is permitted by God when he sees fit. But as the book of Job indicates, the malignity of Satan is never allowed to go beyond the due limit set by God, who will not allow the believer to be tested beyond what he is able.
